Employment Opportunity

Within scope of CUPE Local 2419
Student Academic Assistants

POSITION TITLE: Online Curriculum Developer
POSTING DATE: March 22, 2011
CLOSING DATE: April 8, 2011
DEPARTMENT: Computer Science
CLASSIFICATION: Research Assistant 2 - Monthly
TERM OF EMPLOYMENT: Full-time for 2 month term running May 1, 2011 – June 30, 2011
Monday to Friday 8:30 am – 4:30 pm

TYPICAL DUTIES AND RESPONSIBILITIES: Reporting to a faculty member in Computer Science and a member of the Regina Catholic School board, this position is responsible for the revision and conversion of CS 20 (grade 11) course material to a web deliverable format.

QUALIFICATIONS:
- Graduated from a Saskatchewan high school and have taken CS 20 or an equivalent computing class. Applicants should list all high school information processing/technology related courses they have completed on their application.
- Be a current University of Regina undergraduate student returning to studies in the Fall 2011 semester. Preference will be given to declared Computer Science majors and/or Education Science majors.
- Have completed CS 110 and at least 1 additional CS course
- Demonstrated experience with web development tools and/or online course management software such as Moodle, considered an asset
- Have excellent organization and communication skills
- Understands, articulates and implements best practices related to the field of Computer Science
- Strong time management and demonstrated ability to meet tight deadlines
- Innovative and creative problem solver
