

**Department of Computer Science
Student Assistant Application Form**

Name:					Student ID#				
Phone#:					Domestic		Int'l		
Email:									
CS Grad Student?					Do you have a work visa? (if necessary)			Yes	No
Yes	If yes:	MSc.		PhD	Name of Supervisor:				
No									
Have your discussed applying for this TA with your Supervisor					Yes	No			
Undergrads: How many credit hours complete by this semester									

HTML		MIPS		Javascript		C/C++	Other:
UNIX		X86		Assembler		PHP	

If you have taken any of these classes, enter the **MARK** you received. Grad Students: "X" Classes you are familiar with

Course	Description	%		Course	Description	%
CS100	Intro to Computers			CS375	Database & Info Retrieval	
CS110	Program & Problem Solving			CS401	Adv. Digital Systems Architecture	
CS115	Object Oriented Design			CS405	Computer Graphics	
CS201	Intro to Digital Systems			CS408	Animation Software Design	
CS205	Intro to Multi-media			CS409	Interactive Entertainment Sw	
CS210	Data Structures and Abstractions			CS410	Intro to Computer Design	
CS215	Web Oriented Programming			CS411	Computability & Formal Lang.	
CS280	Risk & Reward in Info Society			CS412	Algorithm Analysis	
CS301	Digital Systems Architecture			CS421	Adv. Artificial Intelligence	
CS305	Human Computer Communication			CS425	Image Processing	
CS310	Discrete Computational Structures			CS427	Intro to Computer Audio	
CS315	Intro to Computer Graphics			CS428	Human Computer Communications	
CS320	Intro to Artificial Intelligence			CS430	Adv Topics in Operating Systems	
CS330	Intro to Operating Systems			CS435	Cryptography & Network Security	
CS335	Computer Networks			CS455	Mobile Computing	
CS340	Adv. Data Structures & Algorithm Design			CS473	Mgmt Support Systems	
CS350	Programming Lang. Concepts			CS 475	Adv topics in Database Systems	
CS372	Software Engineering Methology			CS476	SW Development Project	

Previous Marking experience:		Previous Lab Assist experience		Position desired (x):		
Course	Semester	Course	Semester	Course	Marker	Lab Assist

Availability	Additional Comments: (Please provide details that would help us assign you to the correct position)
