Answer all questions in the exam booklet, 1 question per page side. Fill out the front page of the booklet completely. Return this sheet with your exam booklet. If you do *all* these things, you will earn 1 bonus mark (no part marks). For each of the 10 questions below, you will receive 1 mark for identifying where the question fits in the context of our class discussion, 1 mark for answering the question and 1 mark for a reasoned personal value judgment about the concept. I say use 1 page side per question, but DO NOT fill it completely: 1 – 2 sentences per mark (for a total of 3 – 6 sentences per question). Lastly, I will not answer questions about any of these questions during the exam.

3 marks x 10 = 30 total.

1. Are GUID's a cause for comfort or concern?
2. What is the difference between patents and copyrights?
3. What is an example of the important role fulfilled by the Research Ethics Board at the University of Regina?
4. What is a mechanism for allowing one's work to be "remixed"?
5. Why is fair dealing in the public interest?
6. Is it important that "on the internet, nobody knows you're a dog"?
7. Is there any cause for concern about the move towards "open data"?
8. What new issues have been introduced by the widespread adoption of computers?
9. What is the importance of user-generated content?
10. What is the relationship between anonymity and censorship?
